Parties:

Now that we have had the hearing, there were several late-filed exhibits which require a few corrections to some things for the Applicant. I just wanted to let everyone know that the Commission cannot take any further action until those documents with corrections have been provided.

The documents do not have to be sent in immediately – but they do need to reflect all changes and be correct. If the Applicant can, I would like to get the late-filed exhibits in the next two weeks or so. If 30 days is better, I can wait for them until that time. Once again, correct is more important than fast.
